Updated CACFP Meal Pattern Training
CACFP Meal Pattern Training has been offered statewide since early April and the remaining opportunities to attend an in-person training are limited. Trainings are still available June and July at the Child Nutrition Management Academy (CNMA) in select locations. Each sponsor is strongly encouraged to send at least one participant to one of the trainings. Visit www.kn-eat.org, CACFP, Training for a list of remaining training dates and locations.

Updated CACFP Meal Pattern Requirements FAQs
KSDE CNW has developed a new resource to assist sponsors on implementation of the updated CACFP meal patterns. The FAQs is a compilation of answers to Sponsor questions and is available at www.kn-eat.org, CACFP, Guidance, Menu Planning & Production Records. This resource will be updated continuously as KSDE receives additional guidance from USDA.

USDA Update
CACFP 13-2017 Transition Period for the Updated Child and Adult Care Food Program Meal Patterns
CACFP 13-2017 outlines a transition period for the updated Child and Adult Care Food Program (CACFP) meal patterns and the updated infant and preschool meal patterns in the National School Lunch Program and School Breakfast Program (School Meal Programs). In recognition of the challenges associated with conforming to the updated requirements, during Fiscal Year 2018 (October 1, 2017- September 30, 2018), KSDE and Home Sponsors must provide technical assistance in lieu of fiscal action when they observe violations. KSDE and Home Sponsors must continue to take immediate fiscal action if a meal is completely missing one or more of the required food components (see 7 CFR 226.2, definition of “meal”, and 226.20(a)). The transition period will allow Sponsors to adjust to the updated requirements in the first year of implementation without having fiscal actions imposed or being found seriously deficient.

State Fiscal Year End - Claims Deadline
Claims for Centers are due June 19 by 9 am. Claims submitted after that will not be paid until after July 5.
