SCHEDULE E
Nonsegregated Facilities Clause

Agency certifies that it does not maintain or provide for its employees any segregated facilities at any of its establishments, and that it does not permit its employees to perform their services at any location, under its control, where segregated facilities are maintained. It certifies further that it will not maintain or provide for its employees any segregated facilities at any of its establishments, and that it will not permit its employees to perform their services at any location, under its control, where segregated facilities are maintained. Agency agrees that a breach of this certification is a violation of the Equal Employment Opportunity Clause of this Agreement. As used in this certification, the term "segregated facilities" means any waiting room, work areas, rest rooms, wash rooms, restaurants and other eating areas, time clocks, locker rooms and other storage or dressing areas, parking lots, drinking fountains, recreation or entertainment areas, transportation, and housing facilities provided for employees which are segregated by explicit directive or are in fact segregated on the basis of race, creed, color or national origin, because of habit, local custom, or otherwise. Agency further agrees that (except where it has obtained identical certification from proposed subcontractors for specific time periods) it will obtain identical certifications from proposed subcontractors prior to the award of any contract containing the Equal Opportunity Clause (contracts of \$10,000 or less are exempt from the provisions of the Equal Employment Opportunity Clause), that it will retain such certifications in its files, and that it will forward the following notice to such proposed subcontractors (except where the proposed subcontractors have submitted identical certifications for specific time periods).

A Certification of Nonsegregated Facilities, as required by 41 CFR 60-18, and amendments thereto, on Elimination of Segregated Facilities, by the Secretary of Labor, must be submitted prior to the award of any subcontract containing the Equal Opportunity Clause. The certification may be submitted either for each separate subcontract or for subcontracts during a period (i.e., quarterly, semiannually, or annually).

NOTE: The penalty for making false statements is prescribed in 18 U.S.C. 1001.
