U.S. Senate Passes Funding and Extends USDA Authority to Grant Waivers

On September 30th, the U.S. Senate passed H.R.8337, Continuing Appropriations Act 2021, that extends the USDA's authority to issue and extend nationwide child nutrition waivers until September 20, 2021. USDA's authority was first granted back in March under the Families First Coronavirus Response Act. President Trump signed the bill into law. KSDE will provide additional information about what this means for Child Nutrition Programs as soon as information is received from USDA.
