*State matching funds are required to obtain federal funds. State funds provide slightly less than 5 cents for each school lunch. No state funds are provided for school breakfasts or other Child Nutrition Programs.

Note: In FY2020 due to unanticipated school closures in March 2020, number of school meals and snacks served were less than a normal school year. Many Sponsors did provide COVID-19 Emergency Meal Service starting in mid-March via the Summer Food Service Program or Seamless Summer Option which explains increased Summer Food Meals and Snacks Served in FY2020.
