

Jirak Family Produce comprised of Mark and Theresa Jirak and their six children is an Atchison, KS family owned business producing fresh vegetables for the Atchison Leavenworth, St. Joe Farmers Markets, restaurants, schools, nursing homes and commercial kitchens. On twelve acres in the Missouri River bottoms they grow sweet corn, watermelons, cantaloupe, honey dew melons, bell peppers, tomatoes, green beans, squash, cucumbers, and operate a pumpkin patch. The family owned operation uses sustainable production practices and strives to provide the highest quality vegetables picked at the peak of perfection and delivered fresh.
