

SUNFLOWER SPOTLIGHT

Harvesters

Engaging programs, a safe place, and now food! Young kids and teens flock to the Topeka Shawnee County Public Library and come with empty stomachs after a long day at school. Partnering with the library's cafe, Harvesters provides the food and the librarians provide the positive programming and personal attention kids need in the critical hours of 3 pm to 5 pm. With full stomachs, these kids are ready to appropriately participate in tutoring, reading and social activities. In the first two weeks, Harvester's has seen an average participation of 48 kids... and there are plans to grow! Harvesters is pleased and excited to partner with Topeka Shawnee County Public Library to make a positive difference in the Topeka community.
