

SUNFLOWER SPOTLIGHT

Wonderful Works Deliverance Center

Wonderful Works Deliverance Center in Topeka is the second SFSP sponsor to participate in the At-Risk Afterschool Meals Program. This past summer, Wonderful Works began participating in the SFSP serving breakfast and lunch meals. The SFSP program was a great success and the need to feed hungry children year-round was apparent in this Topeka community. Wonderful Works started serving supper meals through the CACFP At-Risk Afterschool Meals Program this winter and are now serving 120 children at two sites. Sandra Peters and her husband, Pastor Peters of Wonderful Works Deliverance Center are passionate about children and plans are currently underway to expand the SFSP in 2016. The success of the SFSP and At-Risk Afterschool Meals programs is attributed to hard work and passionate volunteers at the Wonderful Works Deliverance Center.
