3. Eligible service providers participating in waiver and affirmation that they are in good standing:

Statewide waiver request for all participating SFSP sponsor organizations.

4. Description of the challenge the State agency is seeking to solve, the goal of the waiver to improve services under the Program, and the expected outcomes if the waiver is granted. [Section 12(l)(2)(A)(iii) and 12(l)(2)(A)(iv) of the NSLA]:

The State agency is seeking to request a statewide waiver for the SFSP flexibility that was rescinded by FNS on October 11, 2018 as part of SFSP 01-2019. The flexibility is included within [Summer Food Service Program \(SFSP\) Waiver for Closed Enrolled Sites](#), November 17, 2002 and extended area eligibility to closed enrolled sites. This waived the statutory provision of Section 13(a)(1)(A)(i)(III) of the NSLA, 42 USC 1761(a)(1)(A)(i)(III), and the regulatory definition of closed enrolled sites, which required eligibility determinations to be made by submitting applications in accordance with 7 CFR 225.15(f). Under this waiver, closed enrolled sites could be determined eligible if located in areas where 50 percent of the children residing in the area are eligible for free and reduced price meals under the National School Lunch Program and School Breakfast Program.

This FNS waiver has benefitted Kansas SFSP sponsors by helping them efficiently operate the SFSP in a more cost effective manner due to decreased labor costs directly related to not being required to collect and/or make income eligibility determinations for children located

in areas already deemed needy based on area eligibility. Continuation of this flexibility will allow the State agency to focus its resources on providing targeted technical assistance regarding program operations and meal quality to sponsoring organizations. Sponsoring organizations will also be able to focus resources on other areas of operations such as increasing quality of meals, effective procurement and outreach to increase access to high quality meals.

5. Specific Program requirements to be waived (include regulatory citations). [Section 12(l)(2)(A)(i) of the NSLA]:

We are requesting a waiver to extend the use of area eligibility to closed enrolled sites operating in needy areas where 50% or more of the children residing in the area are eligible for free and reduced price meals under the National School Lunch Program and School Breakfast Program, thereby waiving the requirement that individual eligibility determinations be made by submitting applications.

Section 13(a)(1)(A)(i)(III) of the NSLA an area— (aa) for which the program food service site documents the eligibility of enrolled children through the collection of income eligibility statements from the families of enrolled children or other means; and (bb) at least 50 percent of the children enrolled at the program food service site meet the income standards for free or reduced price school meals under this Act and the Child Nutrition Act of 1966 (42 U.S.C. 1771 et seq.);

42 USC 1761(a)(1)(A)(i)(III) an area— (aa) for which the program food service site documents the eligibility of enrolled children through the collection of income eligibility statements from the families of enrolled children or other means; and (bb) at least 50 percent of the children enrolled at the program food service site meet the income standards for free or reduced price school meals under this chapter and the Child Nutrition Act of 1966 (42 U.S.C. 1771 et seq.);

7 CFR 225.15(f) Application for free Program meals—(1) Purpose of application form. The application is used to determine the eligibility of children attending camps and the eligibility of sites that are not open sites as defined in paragraph (a) of the definition of “areas in which poor economic conditions exist”, in §225.2. In these situations, parents or guardians of children enrolled in camps or these other sites must be given application forms to provide information described in paragraph (f)(2) or (f)(3) of this section, as applicable. Applications are not necessary if other information sources are available and can be used to determine eligibility of individual children in camps or sites.

6. Detailed description of alternative procedures and anticipated impact on Program operations, including technology, State systems, and monitoring:

Any site located in an area in which at least 50% of the children are from households eligible for free/reduced price meals will be eligible for SFSP reimbursement for all meals served to eligible children, regardless of whether the site serves an identified group of children or is open to the community.

7. Description of any steps the State has taken to address regulatory barriers at the State level. [Section 12(l)(2)(A)(ii) of the NSLA]:

Previously, the State agency has not had to address any regulatory barriers as these flexibilities were in place.

8. Anticipated challenges State or eligible service providers may face with the waiver implementation:

The State agency does not anticipate that these waivers will present any challenges to the agency or SFSP sponsor organizations as these flexibilities have already been implemented and in place. Implementation of this waiver will decrease the challenges faced by SFSP sponsor organizations.

The challenges that the State Agency and SFSP sponsor organizations may face if the waiver is **NOT** approved include:

- Increased costs to State agency to update software systems to bring into compliance with regulation changes, including application, claims, and compliance modules
- Increased burden to State agency to update training materials, re-train SFSP sponsors, and monitor compliance regarding rescinded flexibilities
- Increased administrative labor costs for SFSP sponsor staff in collecting and/or making income eligibility determinations for children located in areas already deemed needy based on area eligibility

9. Description of how the waiver will not increase the overall cost of the Program to the Federal Government. If there are anticipated increases, confirm that the costs will be paid from non-Federal funds. [Section 12(l)(1)(A)(iii) of the NSLA]:

The State agency does not anticipate that this waiver will increase the overall cost of the Program to the Federal Government. This waiver will continue to assist the SFSP sponsors and the State agency stream line and control costs to the Summer Food Service Program.

10. Anticipated waiver implementation date and time period:

To be effective with the start of the 2019 SFSP and approved for a period of **one** year.

11. Proposed monitoring and review procedures:

The State agency will continue to follow their standard SFSP review procedures. Sponsors found to have noncompliance issues as related to this waiver will work with the State agency on an individualized corrective action plan and will have follow-up reviews scheduled as needed.

12. Proposed reporting requirements (include type of data and due date(s) to FNS):

The State agency will report to FNS any compliance issues noted with this flexibility during application approvals and reviews by October 1 each year.
