5. Civil Rights Compliance

Civil Rights Laws

Child Nutrition Programs have always been available to all children on an equal opportunity basis. In 1983 the U.S. Department of Justice issued civil rights compliance requirements for all federal agencies based on the following legislation:

- Title VI of the Civil Rights Act of 1964, which prohibits discrimination based on race, color, or national origin
- Title IX of the Education Amendments of 1972, which prohibits discrimination based on sex
- Section 504 of the Rehabilitation Act of 1973, which prohibits discrimination based on disability
- Age Discrimination Act of 1975, which prohibits discrimination based on age

Requirements

Prior to participation in the USDA Child Nutrition Programs, a pre-award compliance review will be conducted by KSDE. As a result of the U.S. Justice Department’s requirements, the U.S. Department of Agriculture (USDA) developed policy instructions for the Child Nutrition Programs (CNP). The USDA instructions require each local sponsor to take the following actions:

- Comply with all rules and regulations governing nondiscrimination in the administration of the CNP.
- Make CNP information available to the public upon request.
- Distribute the Announcement of Child Nutrition Programs, Form 3-F (www.kn-eat.org, School Nutrition Programs, Administration, Program Renewal) to major employers contemplating layoffs or to local media when there are major changes in programs.
♦ Ensure that all forms of communication and program materials regarding the CNP that are printed for public information, public education or public distribution include the following nondiscrimination statement and procedure for filing a complaint:

In accordance with Federal civil rights law and U.S. Department of Agriculture (USDA) civil rights regulations and policies, the USDA, its Agencies, offices, and employees, and institutions participating in or administering USDA programs are prohibited from discriminating based on race, color, national origin, sex, disability, age, or reprisal or retaliation for prior civil rights activity in any program or activity conducted or funded by USDA.

Persons with disabilities who require alternative means of communication for program information (e.g. Braille, large print, audiotape, American Sign Language, etc.), should contact the Agency (State or local) where they applied for benefits. Individuals who are deaf, hard of hearing or have speech disabilities may contact USDA through the Federal Relay Service at (800) 877-8339. Additionally, program information may be made available in languages other than English.

To file a program complaint of discrimination, complete the USDA Program Discrimination Complaint Form, (AD-3027) found online at: [http://www.ascr.usda.gov/complaint_filing_cust.html](http://www.ascr.usda.gov/complaint_filing_cust.html), and at any USDA office, or write a letter addressed to USDA and provide in the letter all of the information requested in the form. To request a copy of the complaint form, call (866) 632-9992. Submit your completed form or letter to USDA by:

1. Mail: U.S. Department of Agriculture
   Office of the Assistant Secretary for Civil Rights
   1400 Independence Avenue, SW
   Washington, D.C. 20250-9410;

2. Fax: (202) 690-7442; or

3. Email: program.intake@usda.gov.

This institution is an equal opportunity provider.

♦ If the printed material is one page or less and there is not adequate space to permit the full statement to be included, the materials must include at a minimum the following statement, in print no smaller than the text:

This institution is an equal opportunity provider.

♦ Display the USDA nondiscrimination poster in offices and at each serving site within view of the participants. The current poster features a green picture of the USDA Building in Washington, D.C. If additional or replacement copies are needed, please contact Child Nutrition & Wellness, KSDE at 785-296-2276.
♦ When a complaint of discrimination is received, immediately contact U.S. Department of Agriculture, Office of the Assistant Secretary for Civil Rights, 1400 Independence Avenue, S.W., Washington, D.C. 20250-9410, by fax (202) 690-7442 or email at program.intake@usda.gov. Individuals who are deaf, hard of hearing or have speech disabilities may contact USDA through the Federal Relay Service at (800) 877-8339. Civil rights complaints may be made to federal, state, or local agencies. Any complaint received by KSDE will be forwarded to the USDA Mountain Plains Regional Office in Denver, Colorado.

♦ Provide the Civil Rights Complaint Form (5-A) to any individual wishing to make a complaint of discrimination. If the complaint is made verbally or through a phone conversation, the person accepting the complaint should complete the form. The completed form and any corresponding documents should be forwarded immediately to USDA. USDA will resolve any complaint following established methods and regulations.

Use of the Civil Rights Complaint Form cannot be required for acceptance of a complaint. However, it will assist the local agency, state agency and USDA in determining the course of action to take.

♦ When a complaint can be resolved informally, use “Alternative Dispute Resolution” (ADR) techniques which may include fact-finding, mediation, facilitating, or conciliation. One common element in all of the ADR techniques is the presence of a person who acts as the facilitator. This facilitator is a neutral person who works with the parties to help them develop an agreeable resolution to their problem.

Sponsors are required to:

Rights Compliance in Child Nutrition Programs on the KSDE Learning Portal at [https://learning.ksde.org](https://learning.ksde.org), or review A Quick Guide to Civil Rights Annual “Front Line Staff” Training (Form 5-B) each school year. Documentation of civil rights training from the prior program year must be uploaded in KN-CLAIM on the sponsor application as part of the renewal process.

- Cooperate with the civil rights compliance review conducted by Child Nutrition & Wellness, KSDE. This review will establish whether or not the sponsor has met all the obligations for administering the programs with equal access. The compliance review will be a part of the management evaluation process during Administrative Reviews (AR) conducted by the KSDE child nutrition consultant.
