Good Afternoon,

1. If your waiver application is in pending approval status, you may begin meal service. We are working as quickly as we can to approve and may have other questions and require updates, but please go ahead and plan to serve.

2. The leftover FFVP, fruits and vegetables, can be used in the SFSP and SSO related to schools closures for COVID-19. We verified this with the National office. FFVP funds that the schools cannot use because they are closed will be pulled back during the closeout process.

We will provide additional guidance from USDA as it becomes available. As always, if you have questions do not hesitate to call or email your area Child Nutrition Consultant or the Topeka office.
