Effective October 1, 2005, sponsoring organizations were required to conduct
unannounced facility reviews in response to a facility’s “block” claim. On July 1, 2005,
FNS issued CACFP Policy # 03-05, “Documenting Reasons for Block Claims by Child
Care Centers and Day Care Homes”. That guidance permitted sponsoring organizations
to evaluate and document the reason for a block claim detected during an unannounced
review prior to the facility’s first submission of a block claim during the current review
year. The guidance, which allows for the efficient use of sponsor resources while
maintaining this important integrity requirement, was extended on May 23, 2006
(CACFP Memo 12-2006).

FNS had originally limited the duration of this provision to allow time to identify any
unintended consequences associated with its application. To date we have not been
made aware of any. Therefore, we are extending this guidance indefinitely, meaning
sponsors may continue to document reasons for a block claim observed in the facility’s
records during an unannounced review, prior to the facility’s first submission of a block
claim during the current review year. This guidance, including clarifications regarding
the definition of “current review year” and what is considered to be “acceptable
documentation”, will remain in effect unless it becomes necessary to reconsider.

State agencies should direct any questions concerning this guidance to the appropriate
FNS Regional Office. Regional offices may contact FNS Headquarters with questions.
