Subject: “CACFP-Summertalk” Listserv

To: STATE AGENCY DIRECTORS - Colorado ED, Colorado DPHE, Iowa, Kansas,
(Special Nutrition Programs) Missouri DH, Montana OPI, Montana DPHHS,
Nebraska, North Dakota, South Dakota, Utah and
Wyoming

We are pleased to announce the availability of an on-line interactive discussion group for
State Agencies (SA) and institutions participating in the Child and Adult Care Food
Program (CACFP) and Summer Food Service Program (SFSP). This new discussion
group is called “CACFP-Summertalk” and replaces the “CACFP-Talk” listserv that was
previously only available to State agency and institution staff participating in the CACFP.
We are hopeful that the expanded discussion group will provide greater access to useful
information, including good management practices and creative ideas for overcoming
challenges in the Programs.

Currently, membership to the “CACFP-Summertalk” listserv is limited to personnel with
SAs and institutions (i.e., CACFP sponsors, independent child care centers and now
SFSP sponsors). At this time, day care home providers are not eligible to join.

If you are already a member of “CACFP-Talk”, you have already been placed on the
CACFP-Summertalk listserv. Eligible persons who wish to sign up for this discussion
group may do so by visiting the National Agricultural Library (NAL) website at this
provided link. While on the NAL website, you can also become familiar with the many
resources available to State and local entities on a variety of topics. In the near future,
the CACFP and SFSP websites will be adding links to the NAL website so States and
institutions can sign up for CACFP-Summertalk from the FNS website.

Please share this information with your sponsoring organizations and institutions. If you
have any questions, please contact my staff at 303-844-0359.
