To: STATE AGENCY DIRECTORS - (Special Nutrition Programs) Colorado DPHE, Iowa, Kansas, Missouri DHSS, Montana DPHH, Nebraska, North Dakota, South Dakota, Utah and Wyoming

As you know, you have been required to submit all letters and correspondence regarding institutions that have been declared seriously deficient. Once an institution is declared seriously deficient, the following must be sent to the Regional Office (RO):

- Notice of Serious Deficiency
- Notice of Successful Corrective Action or Notice of Proposed Termination/Proposed Disqualification, and
- Notice of Termination/Disqualification, and for all responsible principals/individuals, their mailing address and date of birth

These notices must contain specific information. Please refer to 226.6(c)(1) for notice requirements for new institutions; 226.6(c)(2) for renewing institutions; and 226.6(c)(3) for participating institutions.

In an effort to simplify this process, you now may submit information for adding institutions and their responsible principals/individuals to the National Disqualified Listing (NDL) via an electronic process. Attached you will find copies of the electronic tool developed by Headquarters for State Agencies to electronically submit terminated institutions, their responsible principals/individuals (RPI), and providers to the RO. The information requested on these forms needs to be submitted whether or not you are submitting the information electronically or in written form.

To add an institution, responsible principal, and responsible individual to the NDL, you may now submit the electronic form with all required information via email to your CACFP contact person in the RO.
