Summer Food Service Program (SFSP) Outreach Video and Materials

STATE AGENCY DIRECTORS (Special Nutrition Programs) - Colorado ED, Iowa, Kansas, Montana OPI, Nebraska ED, North Dakota, South Dakota, Utah, and Wyoming DHSS

This is a follow-up to our State Agency (SA) SFSP Workshop. We have attached a copy of the outreach video produced by the Pennsylvania Department of Education which each SA had requested. Also, we have included for you a set of fact sheets on the SFSP that was developed by staff in the Southwest Regional Office. We hope this material will be useful for you.
