Subject: Summer Food Service Program (SFSP) Index

To: STATE AGENCY DIRECTORS - Colorado ED, Iowa, Kansas, Missouri DH, (Child Nutrition Programs) Montana OPI, Nebraska ED, North Dakota, South Dakota, Utah and Wyoming DHSS

Attached is the updated SFSP Index for 1996. The Question and Answer Index has been combined with the Regulation, Instruction, and Policy Index. This came about as a result of a suggestion with the view of making the Index more user friendly. Although almost twice the number of pages, we hope we have achieved this goal.

The Index includes policy through SFSP-276, dated October 11, 1995; and questions and answers through SFSP-271, dated June 26, 1995.

If you have any questions or comments regarding the new Index, please contact Edward Hart at (303) 844-0359.
