This memorandum is to inform you that we are extending the deadline for the 1999 Summer Sunshine Awards from August 25, 1999 to September 15, 1999. As a reminder, nominations from or for SFSP sponsors must go through the State agency so that the applications are reviewed by the State agency before they are forwarded to the Regional Office. Applications from or for SFSP advocacy groups can either be sent through the State agency, or sent directly to the Regional Office.

If there are any questions, please contact Sharon Bevan at (303) 844-0359.
