Subject: Summer Food Service Program (SFSP) Satellite Teleconference

To: STATE AGENCY DIRECTORS - (Child Nutrition Programs)
    Colorado ED, Iowa, Kansas, Missouri DH,
    Montana OPI, Nebraska ED, North Dakota,
    South Dakota, Utah and Wyoming

I would like to take this opportunity to thank you for your participation in our efforts to reach school districts in the Mountain Plains Region to provide information on the SFSP. Our efforts were successful, and it was due to your cooperation in identifying the schools districts to be targeted and providing address labels.

The Colorado Department of Education and Missouri Department of Health were instrumental in the success of this teleconference and we would like to thank them for their support and cooperation in planning the agenda and providing and/or obtaining speakers.

The message of the teleconference is one in which we are proud. Several comments from you, your staff and the local level participants mentioned that the agenda was right on target and that the speakers who added their personal experiences were beneficial to the school district staff.

We have included with this memorandum a copy of the video for use in your State. Many of you requested copies, and we decided to make copies for all. We did not edit the video due to the expense involved.

Please contact Jo Ellen Collin at (303) 844-0359 if you have any questions.

STELLA NASH
Acting Regional Director
Child Nutrition Programs
