Subject: 2002 Summer Food Service Program (SFSP) Sunshine Awards

To: STATE AGENCY DIRECTORS – (Special Nutrition Programs)
    Colorado ED, Iowa, Kansas, Missouri DH, Montana OPI, Nebraska, North Dakota, South Dakota, Utah, Wyoming

An application package for the 2002 Sunshine Awards was mailed to State Agencies (SA) directly from our National Office. This memorandum follows that action to confirm that SAs are in receipt of the materials. If you would like electronic copies of the application package, please visit the Food and Nutrition Service website at http://www.summerfood.usda.gov and click on What’s New, or contact Holly Kuecks or Mary Nielsen at (303) 844-0359.

We will need submissions in our office by Friday, August 30 in order to evaluate and provide them to our National Office by their deadline. States are asked to evaluate local submissions prior to forwarding to ensure those sponsors are operating the SFSP in an acceptable manner.

As noted in the application materials, it is possible that National winners will be invited to make presentations at the National SFSP meeting the week of November 18, 2002. We encourage submissions in as many categories as sponsors or states believe they have taken specific action and/or experienced success. Please contact Holly Kuecks if you have questions about this process.
