To: STATE AGENCY DIRECTORS (Special Nutrition Programs)

    Utah and Wyoming DHSS

For your information, we have compiled a list of policy questions and answers on the SFSP that have been raised by State Agencies and Regional Office Field staff.

We would appreciate your comments as to whether you believe this type of information is useful. If you like this concept, we will periodically review our files and issue a question and answer policy memorandum. We will continue to transmit any National policies as the need arises.
